

## Fellowship group notes

### Week beginning 30<sup>th</sup> Jan 2011

- What is the motivation for holy living to which Paul appeals in verse 1?
- What is the 'calling you have received'? (You might want to consider this in light of ch1-3 of Ephesians, perhaps sharing verses to consider around the group)
- Why should Christians be humble? (see v2 and 2v8-9) How would you define humility?
- How are gentleness and humility related to each other? (see v2)
- How would Paul's instructions in v2b act as a 'safety net' in the moments when humility and gentleness fail? Do you find this easy or hard?
- Why is it a mistake to try and 'create' church unity? (see v3) What encouragements are there that staying united is a real possibility? (Compare the phrase "Bond of Peace" with 2:14)
- Spend some time praying for churches in Leighton Buzzard, and for each other.
