◆ Fellowship group questions ◆

Questions to use, select from or supplement

- Divide Jeremiah 5 & 6 into sections and share around the group. What things are surprising, shocking, hard to understand or difficult in the verses? Try and summarise your chunk in 2 sentences. Share with the rest of the group.
- What seem to be the recurrent themes around the group?
- How is the judgement on Judah a picture of final judgement when God wraps up the world. What are the similarities / differences?
- How do you feel about judgement? (Be honest with the struggles or where it doesn't mean what it should.)
- What impact should God's holiness and coming judgement have on us? What would a community that understood it properly really look like?
- Pray for those we know who still don't follow Jesus. Ask for his mercy and that we would find more opportunities to share with them.
