Discussion group questions

Some of these questions are personal and others are more general. You will find it helpful to have heard the talk so why not listen at <http://leightonbaptists.org.uk/media-links/current-teaching/>

Feel free to pick and choose which questions your group will find most helpful.

- Read the great commission (Matthew 28v18-20) and Paul's charge to Timothy (2 Timothy 4v1). What lessons do we learn from 2 Tim 4v1-8 about what should motivate us, inspire us and prepare us to live out God's calling on us as a church and as individuals?
- How do you feel about the challenges and opportunities we face as a church at present? In what ways do you feel prompted to pray about it?
- Hopefully there are no unanswered questions you feel need addressing before the Special meeting on Sunday. If there are, what are they and how might you get them answered? (Note—last minute on Sunday isn't the right answer! 😊 Please ask!)
- Look particularly at 2 Tim 4v7-8. What do we see of Paul's life priorities from this verse?
- Paul lived with a long term vision. Do we? How does what we have done today demonstrate this?
- How much of our church life is eternal in vision and how much short term? Can you think of any examples?
- Spend some time in quiet together. What are the particular challenges to our time, energy, finances or priorities that God is showing us? What does he want us to do?

If these are things you think you can share, do so and then pray together about them.
