Reading: The Christmas Story

Read: Luke 2:1-20

As you read through the nativity story, especially having read the readings above, what is it that stands out for you?

Read the angel's greeting again in Luke 2:10

- Praise God that there is no need to fear – and perhaps share and pray about things that you are fearful of.
- Praise God that the news about Jesus is good news – and pray for those you know who need to hear that good news this Christmas.

Praise God that Jesus brings great joy – and pray that joy would characterise our lives this Christmas time – not an empty forced happiness, but a joy that comes from a real and lasting confidence and assurance in Jesus.
