NOTES & QUESTIONS

BASED ON **1 CORINTHIANS 15:1—11**

If you would find it helpful to make notes on this morning's talk, please use this handout. On the back you'll find some questions which our growth groups will use as a basis for discussion and prayer at their meetings in the week.

QUESTIONS FOR GROWTH GROUPS

We hope these questions will provoke discussion, encourage learning and support discipling conversations at our growth group meetings this week or, if you can't make a growth group, in your private reflection and Bible study.

You'll find it helpful to have heard the talk from this morning to help you reflect on the questions. You can listen again at  bit.ly/hsbctalks.

1. If someone asked you about the **firm foundations of your faith**, what are the things that you would tell them?
2. What **strategies** have you found that have really worked in making regular Bible reading a firm foundation in your life?
3. What are the **core, primary** issues that all Christians should agree on? What makes them so important?
4. Talk about a time when you saw the moment someone decided to follow Jesus for the first time – either in your own life or another's? What **difference** did it make?
5. How do you **join in** with God's mission in the world? **Where else** would you like to make a difference with Him?
