Have you had any opportunities to speak up about Jesus this week?

## Growth group questions

You will find it helpful to have heard the talk so why not listen at <http://leightonbaptists.org.uk/media-links/current-teaching/>

Some of these questions are personal and others are more general. Feel free to pick and choose which questions your group will find most helpful.

- 
1. What was the most significant thing God said to you through the talk?
  2. How does knowing we are 'the nations' spoken of in Matthew 28v19 shape the way you think about Jesus' instructions?
  3. Read 2 Corinthians 2v14-3v3 again. What is your experience of 'the aroma of Christ'? What experience have you seen in those around you where you live/work/study/play?
  4. How does the thought that you are a 'reference' for the gospel shape the way you think of making disciples?
  5. What part should church play in whole life discipleship?
  6. Where do you spend most of your time? How are disciples being made there? How can you increase the strength of the 'fragrance of the knowledge of him' and be a reference for it there?
  7. If you have Vine project team members attending your Growth group, why not ask them to reflect on the following 3 questions.
    - What have been the biggest challenges personally as a result of the vine project?
    - Because of the vine project, what are your dreams for us as a church in the coming 12 months?
    - What do you think will be the biggest challenges and obstacles for us as a church?
