

Church Address:  
 Hockliffe Street  
 Leighton Buzzard  
 LU7 1EZ

There is no car parking space available at the church, but there is public car parking in the Hockliffe Street (locally referred to as the library or theatre) car park, entrance opposite the church – free during evenings and on Sundays. Details of charges at other times and how to pay on-line can be found on the Central Bedfordshire Council website.

There is disabled access via the side doors and during Sunday services a ramp is available at the front of the building.

**Sat-nav users:** If you use the post-code alone to set your sat-nav up, you may be directed to the eastern section of Hockliffe Street (between Leston Road and Beaudesert) rather than the western section which is where the church is. If in doubt, follow the signs for the car-parking and the theatre, not the A4012 signposted to Hockliffe and Bedford.
