## Pastor of a Baptist church near Nazareth

**Hanna and Lina Eid** pastor a small Baptist church in the village of Eilaboun some 12 miles NE of Nazareth in the Galilee, Israel. They are Evangelical Arab Christians and as such experience quite a lot of obstruction to their desire to win adults and children to Christ in Eilaboun and the surrounding villages. They have three children, Heidi, Abigail & Tarneem.

HSBC helped Hanna while he studied for a year at Cornhill College, London in 2003-4, before returning to his home village in Israel to assist the pastor in the church there. His wife Lina leads the women's ministry in their church as well as caring for their three young children.
